Federal Tax Essentials Library

The 2020 tax season has been one of many changes. From December 2019 legislation that impacts 2019 tax year filings (extended expired provisions, disaster relief, and much more), to ongoing legislation and IRS releases to help taxpayers deal with the impact of the coronavirus pandemic, Quickfinder has been there for you to rely on.

As tax season continues longer than usual this year, thanks to postponed due dates, it's not too soon to consider potential tax saving opportunities you may note when preparing your clients' 2020 returns. And it's time to identify and implement more tax planning ideas that may fit your clients in 2020. To help you, the Federal Tax Essential Library includes the Tax Planning for Individuals Quickfinder Handbook, the tax planning resource you need to ensure your clients' 2020 tax bills are as low as the tax laws allow — including the new tax laws enacted in response to COVID-19. And to help you thrive NEXT tax season, the library includes three of our most popular and most essential federal tax preparation handbooks. Learn more at tax.tr.com/qfbundles.
